

WHY NATIONAL

National owns and operates offices all across the U.S. Dedicated teams manage the service delivery process from beginning to end, providing a seamless reservation, placement, and move-in experience. Our flexibility and attention to customer care is unmatched. Each guest works with a designated National representative for individual housing needs.

National also offers a rental assistance program that adds value to any relocation program. Employees that take advantage of rental assistance will spend less time searching for a home or an apartment and more time learning their new city. From start to finish, we make the transition as smooth as possible.
