

Thurston-Elliot Stewart

I am a very capable prospect due to my variety of skills and devotion to filling out the needs of my required position. I have exceptional problem-solving, time management, and organizational skills when needed in my role. My attention to detail has always been highlighted in any environment I've entered. Focusing on digital content creation, photography, cinematography, even creative directing, I host an abundance of creative skills with the ability to evolve my workflow for the improved completion of all tasks.
