

THE HEART OF UPTOWN CHARLOTTE

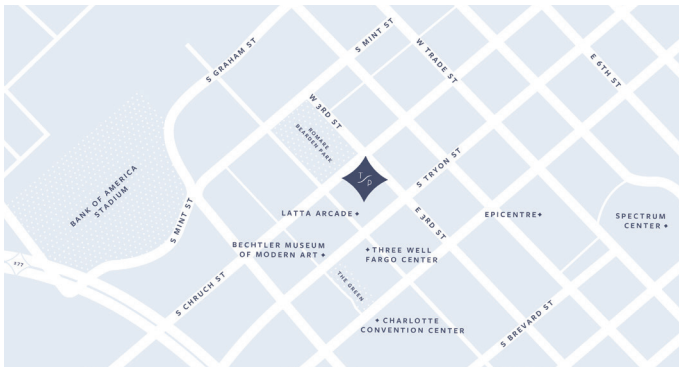

KIMPTON  
TRYON PARK  
HOTEL

The Queen City is truly a place where the efficiency and sensibilities of a fast-paced city pair with the gracious charm that only the South can provide. In the heart of Uptown, Charlotte's business district, Kimpton Tryon Park Hotel immerses guests in refined, sophisticated style and Southern hospitality tailored to modern day desires.

Be a part of Charlotte's big business movement thanks to over 13,000 square feet of meeting and event space, the latest in technological amenities, and an innovative culinary approach to event food and beverage from Executive Chef Robert Hoffman. After the work day, 217 rooms outfitted in a calming palate of slate and royal blue invite travelers to unwind, enjoying floor-to-ceiling views overlooking either Romare Bearden Park or fellow skyscrapers.

From our Italian-inspired modern American restaurant, Angeline's, to Merchant & Trade, the 19th floor rooftop bar and lounge overlooking the city, we give guests a true taste of Charlotte's future while grounding ourselves in its present.
