#### EAW Productions, LLC

Responsible for all day-to-day operations of a full-service video production company including concept and development, scriptwriting, producing, casting, directing and supervising postproduction. Productions include both broadcast and non-broadcast projects, corporate training videos, documentaries, series for public television and promotional videos for non-profits agencies and organizations.

#### Everyday Edisons      Contract Writer/Producer

Responsible for writing scripts for the on-camera host and producing this 26-part series for public television, highlighting the accomplishments of inventors from all over the country. Series required extensive travel with crew to inventor's locations/studios/workshops and to the United States Patent Trade Offices in D.C for interviews. Everyday Edisons was winner of two Emmys.

\*through an agreement with Enventys, Inc. I was able to continue producing projects of EAW Productions for the duration of the contract.

#### Time Warner Cable      Contract Producer/Host

Responsible for concept, creative treatments, scripts and acting as on camera host for this monthly broadcast television series, Around Carolina. Segments included human interest stories, travel and leisure, dining and entertainment, health and beauty and places of interest.

\*through an agreement with TWC, I was able to continue producing projects of EAW Productions for the duration of the contract.

#### WTVI      Contract Producer/Host

Responsible for contributing feature content and producing these award-winning public television series: ArtSeen, Fingerprints and The Zone. Documentaries included Working Together, Breaking Down the Barriers, The Balance of Beauty and Women Coming Out of the Shadows.

#### South Carolina Educational Television Network Senior Producer/Director/Host

Responsible for writing, producing, and hosting a daily public television magazine program featuring local topics of interest and interviews with national celebrities. Produced a weekly public affairs program with interviews with national, regional, and local public servants.

Created documentaries included Home from the Hill, Media and Politics, Faith of Our Fathers.

Responsible for managing videographers, audio specialists and editors.
