

Jennifer Lytch

PROFESSIONAL PROFILE

Enthusiastic and dedicated classroom and online educator with over 20 years of experience in helping students grow and succeed. I'm adaptable and always up for a challenge, making learning fun and engaging for all types of students. I love blending technology and education to create lessons that resonate with today's learners. I'm passionate about professional development and enjoy being part of various committees that focus on improving education.

SKILLS

- Online Teaching & Course Design: Skilled at creating interactive and student-focused online courses that cater to different learning styles.
- Tech-Savvy: Comfortable using various digital tools and platforms to create an engaging online learning experience: Canvas, Google Apps, Zoom, Canva, Teams, Microsoft Outlook, Discovery Education, Imagine Learning, MasteryConnect
- AP Biology Pro: Certified AP Biology teacher and College Board scorer, with solid subject expertise and experience in online assessment.
- Mentoring & Support: Enjoy coaching new teachers and sharing strategies for success in the classroom.
- Leadership & Teamwork: Co-advisor for the National Honor Society, working with fellow educators to make a positive impact in the school community.
- Recruitment & Hiring: Involved in finding and hiring great teachers, contributing to a strong educational team.
