Experience:

Bravo - Charleston, SC– May – July of 2022, 2023 and 2024

- AC for “Southern Hospitality” Seasons 1 - 3
 - Worked with fX9s, FX6s and FX3s
 - Worked with DZO telescopic lenses.
 - Worked with Titan and Helios tubes, Aperture lights, and some flexible light panels.
 - Built and troubleshoot video village using Teradek and DJI transmitters and monitors.

Bravo – Charleston, SC – April – June of 2024

- AC for “Southern Charm” Season 10
 - Worked with FX9s
 - Worked with Canon 17 – 120 Lenses
 - Worked with DJI monitors.
 - Worked with Titan tubes, Aperture lights, and some flexible light panels.

ITV- Myrtle Beach, SC – May 2023

- AC for “Final Moments Season 2”
 - Made sure no camera lost power and all media cards were labeled and turned in.
 - Helped light and set up interviews.

Fox Sports- Columbia, SC – January 2023

- AC for “Christy Winters-Scott Interview with Coach Dawn Staley”
 - AC for three cameras; made sure they had cards, clean lenses and power.
 - Made sure video village was up and running.

FilmPool – Rock Hill, SC – September 2022 – October 2022

- 2nd AC for “The Engagement Plan”
 - I managed a camera log so that we could match distances for singles or recreate shoots later.
 - I kept track of all CFast cards and made sure they got to the DIT, then coordinated a way to pick up the fresh cards later that night.
 - As 2nd AC to A camera, I handled timecards and walkies for my department at the beginning and end of every day.

Education:

B.A. of Media Arts from University of South Carolina (2018)

- Intense focus on:
 - Cinematic composition, Cinematic Lighting
