Personal Profile

- For over 5 years, I've been immersing myself in the world of film, exploring various roles from grip/gaffing to assisting with camera work. My focus has honed in on the camera department, where I've primarily served as a 1st or 2nd AC, occasionally taking on the role of DP.
- I have hands-on experience in a wide range of film projects, including film shorts, commercial shoots, and indie work.
- Currently refining skills in Adobe Premiere Pro and Davinci Resolve.

Internships

Cameron Arts Museum (Aug.-Dec. 2023)

- Created content for their social media i.e. Instagram, TikTok.

Tower 5 Media (Aug.-Dec.2023)

- Worked as their main editor for a short film called "My Last Goodbye".
- Worked in Adobe Lightroom & Premiere Pro.

Robert Cummins Film Co.

(Jan. - May. 2024)

- Worked as an Editor and Camera PA on commercial shoots and a film called "The Hermit of Cape Fear".
